

Policy Advisor Financial Services Regulation

About the Swiss Finance Council:

The Swiss Finance Council engages in dialogue around policy and regulatory developments in finance at a European and international level. It represents the interests of internationally active Swiss financial institutions (banks and asset managers) and facilitates sharing of experience, expertise and knowledge with EU authorities, including through a permanent representative office in Brussels. It articulates and advocates the common interests of its members, provides a voice for their joint positions and a source of knowledge and experience in finance for policy makers and the industry at large.

Job Description:

The Policy Advisor is essential to SFC's activities, leading one or more of its thematic working groups and shaping the SFC advocacy agenda. This role is based in the Brussels representative office and reports directly to the Managing Director of the SFC.

Main Tasks:

- Taking the lead in specific thematic areas of policy work (esp. related to banking & prudential regulation, tax and securitisation)
- Lead and coordinate SFC working groups
- Monitor European political, policy, and regulatory developments affecting SFC Members; provide strategic advice and inform members on significant developments.
- Develop and implement advocacy strategies for SFC policy priorities, draft and coordinate position papers, consultation responses and advocacy strategies
- Support in coordination of an informal network of third-country financial institutions and associations with the aim to exchange on financial services policy developments
- Develop and maintain a strong network of stakeholders (including other associations) for gathering intelligence and align on advocacy strategies
- Represent the SFC at meetings with policymakers and other external stakeholders
- Attend and represent the SFC at public hearings, conferences, and events to provide members with valuable insights
- Contribute to SFC events (SFC Annual conference and other SFC roundtable events)

Qualifications / Experience required:

- At least three years of professional experience in EU-level policy, regulatory, or governmental affairs within the financial sector
- Proven experience in regulatory and policy positioning and advocacy
- In-depth understanding of European institutions, EU policy-making, decision-making, and the legislative process

Skills:

- Knowledge and experience of banking & prudential, broader capital markets regulation (such as securitisation regulation) and tax are desired
- Strong analytical skills and the ability to familiarise quickly with new and complex topics
- A flexible attitude to work combined with an autonomous working style
- Strong time-management and organisational skills

- Pro-active and collaborative personality with the ability to act in in a small, multicultural membership organisation
- Excellent communication skills, both verbally and in writing in English. Being fluent in another EU language is an advantage

We offer:

- A dynamic and international working environment
- A competitive salary and a set of additional benefits
- A modern workplace in the heart of Brussels with the possibility of part-time mobile working
- A permanent and full-time position

Start date: As of September 2024
